

Phase : 6
A flash of death

PHASE:6

「死光一閃」

Ah, I'm just
joking, just joking

Here
What
happened?

Seems
like...

What
is that?

They haven't
reached a
conclusion
to their
match yet.

That guy
said, Yuan Ji
is fighting
with

his
companion

I think he
really is
dead.

Really, his
master has
strongly judged
it must be to
fight one of
them single
handedly.

You wanted to use that guy, just like you are using us, right?

Do I still need to say it?

We can't leave him like this.

Even if it is just taking his soul back it is better than this.

I'm just doing what I usually do.

Stop lying.

So, this was the human you met before.

It is rare for him to be able to see humans.

Chin.

What are you going to do?

Yes.

As a human, he is actually quite strong.

What is that guy!

How!

What happened!

To be killed by me, right?

Seem like you came back specially.

Ah ?

How could that be

How
slow
could
that
be?

We should
be way
more
more
superior
than
them

That
guy

One day, you
will be like
these people,
people with a
value to be
exploited.

guys on
his own

Yuan Ji is
actually
able to
defeat
those

What
is
happen
ing to
him?

So

All is going according
to the plan.
